K-2 Technology Information for Remote/Virtual Learning

Technology Information

- **When using a desktop/chromebook**, families simply need the Classlink web address and their Classlink login/password…when in Classlink, they are able to choose SeeSaw, TEAMS, Istation, HMH/IRead which will all *open automatically (no additional login)*.
  <mark>***Students will start their day by logging into Classlink and selecting "SeeSaw".**</mark>

- **When using a phone/iPad/Tablet**, you will need the Classlink APP, TEAMS APP, and SeeSaw **Class** APP…students will still use the Classlink App as their driver to get to SeeSaw/TEAMS/Istation/HMH-ED, so just like with the desktop scenario they will start their day by logging in to the Classlink App, and then from inside selecting SeeSaw or TEAMS.

  - **You must download all three apps**
  - *SeeSaw Class*
  - *ClassLink*
  - *Teams*
